LEGHORN, *April* 11.

THE last Letters from Capraia advise, that the Fortreſs ſtill held out, altho' they had received no Aſſiſtance. Capt. Oletta, a Corſican Officer, was killed by a Muſket Ball, as he was viewing the Trenches.

GENOA, *April* 11. The Senator Pinelli hath not yet been able to introduce the Proviſions deſtined for the Garriſon of Capraia. It is reported that the Corſicans do not beſiege the Fortreſs in Form, but blockade it only, perſuaded, that it muſt ſoon ſurrender for want of Subſiſtence.

COPENHAGEN, *April* 25. The King has ſent a circular Reſcript to all his Miniſters at foreign Courts, by which he enjoins them to declare, that the Negotiations, entered into with the Empreſs of Ruſſia, have no other Object but the Intereſts of the high contracting Parties, and that there is nothing contained therein, that may concern any of the Crowns of Europe, nor cauſe them the leaſt Prejudice.

LONDON, *May* 18

Private Letters from Madrid inform, that Orders had been tranſmitted to the Governors of New Spain, for a Capitation Tax, to be levied by his Majeſty's Officers, on all the Inhabitants throughout the whole Province of Paraguay, in South-America.

A Memorial has been lately ſent over to Portugal, as we are informed, containing a minute Specification of all the Expences which we were at for the Defence of that Kingdom the laſt War, and inſiſting upon an immediate Payment or Reimburſement.

May 2. Yeſterday Morning the Two Secretaries of State, and ſeveral Lords of the Privy Council, attended at a great Council held at the Cock-pit, Whitehall, on Affairs of importance.

Letters from Madrid import, that beſides the great Treaſure in the Poſſeſſion of the Two Jeſuits of Paraguay, who were lately arreſted at Figuera, on their Way to Rome, ſome Papers were likewiſe found upon them, containing literal Proof of the Conſpiracies at Quito, Lima, and Mexico; and which, it was thought, had contributed to accelerate the Ruin of that Society in the Spaniſh Monarchy.

Notwithſtanding the Promiſes that have been made for our Fellow-Subjects the North-Americans, and the Honour that has been pawned by a certain great Man for them, we are aſſured, that they refuſe to conform to an Act of Parliament reſpecting the Billetting of Soldiers. From their Conduct in this and ſome other Matters, there is Reaſon to expect freſh Troubles from thoſe Parts.

A conſiderable Bounty on the Importation of the American Hemp and Flax is now ſoliciting for.

It is ſaid, that all Sorts of ſalted Meat and Butter will be allowed to be imported Duty free; as alſo Rice, Sago Powder, and Vermicelli, from our Colonies in America, for a limited Time.

A Letter from the Hague, dated April 28, ſays, "Signor Romanzo, the Corſican Courier, paſt by here lately in his Return from London. He appeared remarkably gay, but made a profound Secret of his Negotiations. His Maitre de Hotel was heard to ſay, that the taking of Capraia had gained Corſica 100,000 l. extraordinary Credit from the Engliſh Merchants."

They write from Corſica, that M. de Buſſy, ſaid to be charged with a Commiſſion from the French Court, had lately arrived there, and held ſeveral Conferences with Count de Marbeuf, and propoſes to be preſent at the General Congreſs of the States of the Iſland, to be held this Month.

May 6. We hear that a large Quantity of Ammunition and Naval Stores are now getting ready, to be ſhipped with all Expedition for the Uſe of the Corſicans.

They write from Genoa, that a Reinforcement of 350 Men, had ſailed for Corſica, and that 500,000 Livres were ſent over to pay the Genoeſe Troops in that Iſland. And that one of their Veſſels, which cruiſed on the Coaſts of Capraia, had found Means to take on board a Soldier, who had been let down by the Governor of the Fortreſs in that Iſland with Cords; and that it was in Conſequence of the Advices received by this Soldier, that the Senate came to a Reſolution of ſending a Reinforcement of 200 Men to Admiral Pinelli.

The Bruſſels Gazette, received on Wedneſday, hath the following Paragraph under London, April 24. "We are not without Fear leſt the Meaſures taken for the eſtabliſhing of a Tax in America, ſhould give riſe to new Troubles in moſt of our Colonies.---Precaution however will be taken to leave the Reparation and Collection of it to the Aſſemblies of the different Provinces, to whom the Governors are to make the Propoſition relative thereto on the Part of the K---, on condition that they charge themſelves with remitting the Produce of the Tax to the Exchequer here, to be diſpoſed of by Parliament. The Spirit of Revolt and Independency, which reign in that Country, give us Reaſon to depend on any good Diſpoſitions on their Parts."

It is ſaid, that the confiſcated Effects belonging to the Jeſuits through the whole Kingdom of Spain, already amounted to the Sum of Seventy-five Millions of Piaſters, excluſive of the Spoils expected from that Society in the Indies.

May 8. It is ſtrongly reported, that the Parliament will be diſſolved, and a new one called, ſo ſoon as the preſent Seſſions ſhall be ended. This Meaſure was adopted (the laſt Time) in the Year 1747; when the Miniſtry, in order to ſave the great Expence of a Twelve-month's canvaſſing for Members, which would have been the Conſequence, procured the Parliament's Diſſolution at the Expiration of Six Years.

It is thought that the Parliament will not riſe till his Majeſty's Birth-day.

According to authenticated Accounts, tranſmitted to Madrid from South-America, the Jeſuits of Paraguay were ſaid to be able to bring an Army of Two Hundred Thouſand Fighting Indians to the Defence of their Colony, ſhould it be invaded either by the Spaniſh or Portugueſe.

His Excellency General Murray, Governor of Quebec, is ſhortly to embark for that Capital, as his Majeſty's Governor and Commander in Chief of Canada.

May 12. Yeſterday there was a full Houſe of Commons, and it was expected they would ſit late; ſome Accounts from America, which were laid before them, for their Inſpection, were the Object of the Debates.

Laſt Week ſome Diſpatches, ſaid to be of Importance, were received at the Secretary of State's Office from his Excellency Francis Bernard, Eſq; Governor of New-England, which have already been laid before a Cabinet Council at St. James's.

By the late Seizure of the Jeſuits Papers and Effects in Spain, it is ſaid to have been diſcovered that an immenſe Trade in Gold and Diamonds, has for ſome Years paſt been carried on by thoſe Fathers from South-America, in Spaniſh Guardiards in Offices in America and the Weſt-Indies are diſcovered to have been ſecretly concerned.

There were 23 Houſes or Colleges of the Jeſuits in the Province of Caſtile; 20 in that of Toledo; 21 in the Province of Andaluſia; and 24 in that of Arragon; which make 118 in all.

The Departure of Two Companies of the Royal Regiment of Artillery for America, is poſtponed till after the Review of the Three Regiments of Foot Guards, which is fixed for the 25th of next Month.

A Letter from Vienna ſays, "Though this Court ſeems not directly to concern itſelf about the Affairs of Poland, in reſpect to the Claims of the Diſſidents, there is Reaſon to believe that it will be attentive to the Conſequences thereof. In the mean Time, it is generally thought here, that the Means uſed by Ruſſia on this Occaſion will produce, if not a Civil War, at leaſt very great Troubles. The Diet, indeed, has the Power to grant the Demand made by Ruſſia; but the Object in Queſtion is an important Affair of State, and conſequently requires an Unanimity of Voices; and is it likely that amongſt the great Number of Deputies, who compoſe that National Senate, there ſhould not be one who will make uſe of the *Liberum veto*?"

According to Letters from Hamburg, a Northern Potentate, was ſaid to be making Preparations to bring an Army of Fifty Thouſand Men into the Field this Summer.

A few Nights ago a Gentleman, at a certain Coffee-Houſe in the Neighbourhood of St. James's, affirmed with great Confidence, and offered to lay any Wager on it, that the Irish Parliament would gladly ſettle 30,000l. a Year upon his Royal Highneſs the Duke of York, if his Highneſs would but condeſcend to reſide in that Kingdom.

BOSTON, *July* 2.

Extract of a Letter from London, May 21.

"A few Days before the Houſe of Commons adjourned for the Eaſter Hollidays, the Ch——r of the Ex——r opened his Budget, with very great Applauſe, even Mr. G——lle complimented him on the Occaſion; among other Things he made it appear, that beſides paying the Navy and Army, and all other Charges of Government, for the laſt Year, he had ſunk Three Millions, Nine Hundred Thouſand Pounds of the National Debt, and aſſured them that the next Year he would diſcharge a much greater Sum, notwithſtanding they had reduced the Land-Tax One Shilling in the Pound. He took an occaſion Yeſterday to ſay, that it was reported out of Doors that he was for taxing America, I declare, ſays he, I am not, nor never was; I thought the Stamp-Act a very improper Meaſure, and uſed my Endeavours for the repeal; and (holding out his Hand) he ſaid he would cut off that Hand before he would vote for taxing America; and if any of the Duties laid on Trade ſhall appear burthenſome, nothing ſhall be wanting in me to remove them."

SCHEME
OF THE
MARYLAND LIBERTY LOTTERY.

THE Lower Houſe of Aſſembly of *Maryland* have conſtantly and ineffectually hitherto, ſince Seventeen Hundred and Thirty-nine, RESOLVED, That his Lordſhip hath no Right to collect Twelve-pence *per* Hogſhead on Tobacco exported.

A Conſtitutional Tax on the People to ſupport an Agent of the Appointment of the Lower Houſe, has been greatly deſired, frequently attempted, and as often refuſed by the Upper Houſe.

The Lower Houſe of Aſſembly contend, That the Clerk of the Council his reaſonable Reward, as well as every other Expence neceſſarily attending the Execution of the Powers of Government, ought to be defrayed out of the Fines, *Forfeitures, Amerciaments*, and *other Monies* received by the Government for the Support thereof; and, "That Sentiment being directly oppoſite to the Opinion the Upper "Houſe had, on mature Conſideration, formed upon the "Subject of the Clerk of the Council's Claim," principally occaſioned the Non-payment of the Public Debt for upwards of Ten Years: The Diſtreſs of Trade for Want of a Circulating Medium, and the extreme Neceſſity of Public Creditors, compelled the Lower Houſe to agree to an Appeal to his Majeſty in Council, on the Subject Matter of Difference, without the Allotment of any Public Money for that Purpoſe, as the only Means to ſettle Diſputes, reſtore Public Credit, and lay a ſure Foundation for the future Eaſe and Good of the Province.

A Subſcription therefore, by RESOLVE of the Lower Houſe, has been Open'd, and Subſcriptions are taken in by every Member, for maintaining an Agent, and ſupporting the Appeal on the Part of the People, as well as obtaining Redreſs of their *other* Grievances; and, by RESOLVE alſo of the Lower Houſe, as an additional Means of raiſing Money for the ſame Purpoſes, the following SCHEME of a LOTTERY, by which to raiſe One Thouſand Pounds Common Money, is ſubmitted to the Public.
